Summer Term 2024
Colours of the Rainbow

Our stars this term will be fruit & veg in the colours of the rainbow!

We will draw them, paint them, sculpt them & even eat or juice them!

We will learn all about the colour wheel and focus in our drawings & paintings mainly on one colour at a time, learning about shading & shadows. Every art piece will use different medium: soft pastels, oil pastels, watercolour, pigments... we will make a journal for them too.

We will alternate painting with modelling, and you may choose if you wish your fruit & veg models to have eyes, feet etc. We will also make a little basket for them all.

Father's Day – well, it's no secret that Mrs Maggs loves her gadgets, let's say that this year's present requires a new (very cool) gadget and the rest is Top Secret! Would you like to try to guess?

Don't forget we will also make this project's badge for your collection.

What is your favourite colour? And favourite fruit & veg?

Please note that this project will carry on through to 2nd half term, however you may book it half term at a time: 1st half term is 7 weeks long at a cost of **£52.50** via the school booking system.

Art & Craft Club will take place on **Tuesdays after school** until **16:45** for **7 weeks** from **9th April** until **21st May 2024**. It is suitable for **year 1-4** children.

If you have any questions about this project and/or wish to let us know about your child's food allergies, please use the Google Form via this link or QR code. Link:
