Summer singing

This half term is very busy in school with lots of things happening in every year group every day so I urge you to keep reading the newsletter and checking the website for the latest information.

Our Year 4 children attended Worcestershire's Big Sing last week and by all accounts had a thoroughly enjoyable time. Singing with so many other schools is a very special experience. Then on Tuesday of this week, they were invited to watch a performance of Matilda at Aston Fields Middle School. Again they had a great time, especially as lots of the children performing were past pupils from our school.

Last Thursday we really enjoyed a lovely class assembly from our Year 2 children. Mrs Warren worked hard with the children to present the learning from this term. Everything performed was planned by the children and we were treated to a fantastic rendition of 'What a Wonderful World' by Louis Armstrong.

This week's assembly theme has been all about diversity. Each day the children have been learning and reflecting on what diversity is all about and how we as a school can work hard to make sure we respect other people's differences, choices and feelings so that everyone is included and happy. Why not ask your child what they think diversity means? As a school we work hard to promote this agenda and we have just updated our equality information and objectives which can be found [here](#) on the website.

Reminders

- Mondays YR to come to school in PE kit
- Mondays Y4 to bring Flutes into school
- Wednesdays and Thursdays Y1 to come to school in PE kit
- Thursday YR and Y2 Forest School
