- Ensure that regular safety inspections are undertaken
- Arrange for the withdrawal, repair or replacement of any item of furniture, fitting or equipment identified as unsafe or unhealthy
- Report to the Authority any defect in the state of repair of the buildings or their surrounds which is identified as being unsafe and make such interim arrangements as are reasonable to limit the risk entailed. (Note: the governing body will deal with all aspects of maintenance which are under its control)
- Report to the Director of Children's Services or property officer any other situation identified as being unsafe or hazardous and which cannot be remedied within the financial resources available to them
- Monitor, within the limits of their expertise, the activities of contractors (in liaison with the Authority), hirers and other organisations present on site, as far as is reasonably practicable
- Identify any member of staff having direct responsibility for particular safety matters and any member of staff who is specifically delegated to assist the Governors and Headteacher in the management of health and safety at the school. **Responsibilities of staff towards pupils and others in their care**

All staff are responsible for health and safety arrangements in relation to staff, pupils and volunteer helpers under their supervision. In particular, they will monitor their own work activities and take all reasonable steps to

- Exercise effective supervision over all those for whom they are responsible
- Be aware of and implement safe working practices and to set a good example personally
- Identify actual and potential hazards and introduce procedures to minimise the possibility of mishap
- Ensure that any equipment or tools used are appropriate to that use and meet accepted safety standards
- Provide appropriate protective clothing and safety equipment as necessary and ensure that these are used as required
- Minimise the occasions when an individual is required to work in isolation, particularly in a hazardous situation or on a hazardous process
- Provide the opportunity for discussion of health and safety arrangements
- Investigate any accident (or incident where personal injury could have arisen) and take appropriate corrective action

Note: when members of staff consider that corrective action is necessary but that action lies outside the scope of their authority, they should refer the problem to the Headteacher.

### **Responsibilities of all employees**

All employees have a responsibility under the Act to

- Take reasonable care for the health and safety of themselves and of any person who might be affected by their acts or omissions at work
- Co-operate with the Children's Services Director and others in meeting statutory requirements
- Not interfere with or misuse anything provided in the interests of health, safety and welfare
- Make themselves aware of all safety rules, procedures and safe working practices applicable to their posts and, where in doubt, seek immediate clarification from the Headteacher
- Ensure that tools and equipment are in good condition and report any defects to the Headteacher
- Use protective clothing and safety equipment provided and ensure that these are kept in good condition
- Ensure that offices, general accommodation are kept tidy
- Ensure that any accidents, whether or not an injury occurs, and potential hazards are reported to the Headteacher

Whenever an employee is aware of any possible deficiencies in health and safety arrangements s/he must draw these to the attention of the Headteacher.

### **Additional notes**

- It must be realised that newly appointed employees could be particularly vulnerable to any risk and it must be ensured that all relevant health and safety matters are drawn to their attention at an early stage

- While it is a management responsibility to instruct all employees in safe working procedures in relation to their posts and work places, employees may from time to time find themselves in unfamiliar environments. In such cases, the employee concerned should be particularly alert for hazards, and whenever possible, ensure they are accompanied by a person familiar with the environment or that they are advised of specific hazards
- All volunteer helpers will be expected to meet the same standards required of employees.

## **Responsibilities of pupils**

All pupils are expected, within their expertise and ability, to

- Exercise personal responsibility for the safety of themselves and their fellow students
- Observe standards of dress consistent with safety and hygiene
- Observe all the safety rules of the school and in particular the instructions of the teaching staff in the event of an emergency
- Use and not wilfully misuse, neglect or interfere with things provided for safety purposes

Note: The Governors and Headteacher will make pupils (and, where appropriate, parents) aware of these responsibilities through direct instruction, notices and the school handbook

## **Visitors**

Regular visitors and other users of the premises (eg, contractors and delivery people) are given Health & Safety information and are expected to observe the safety rules of the school.

- Dogs, with the exception of personal support dogs, service dogs and assistance dogs must not be brought on to school premises

## **Fire and emergency evacuation procedures**

- These procedures will be updated as appropriate and are available at all times (clearly displayed)
- Evacuation procedures are communicated to all new staff as part of induction
- The log book for the recording of practice and evacuation drills is available in the school office.
- Arrangements are made regularly to monitor the condition of all fire prevention equipment. This includes regular visual inspection of fire extinguishers and the fire alarm system.
- Fire practices are held each term on hearing the alarm signal.

## **First aid and accident reporting procedures**

- First aid is available in the school library and an additional first aid box is taken onto the playground at lunchtimes.
- The accident book for minor injuries is kept in the First Aid cupboard in the craft area and a second is used at playtimes. Pupils who receive attention due to a bump on the head wear a red wristband and a text message is sent.
- Where an injury has been more serious for a pupil, a record of the injury must be submitted via the WCC online system within the Children’s Services Portal Website as soon as possible. This system is linked to the local authority.
- Where an injury has been more serious for a member of staff or visitor to the school, a record of the injury must be submitted via the online system within the Children’s Services Portal Website website as soon as possible. This system is linked to the local authority.
