Dear Parent Carers,

As we approach the end of the academic year, we are writing to share an exciting development in the life of our school. We are delighted to announce that the Aequalis Education Trust will officially open on 1st September 2025.

We look forward to converting to academy status and joining Aequalis Education Trust in the new academic year. This marks an important and positive step forward for our school, as we move into a future rich with opportunity, collaboration and innovation.

We would like to sincerely thank all parent carers who engaged in the consultation process. Your thoughtful feedback and support have been invaluable in shaping this journey and ensuring it reflects the best interests of our school community.

While preparations are well underway, the formal date of our conversion will be confirmed in due course. We are committed to keeping you fully informed, and regular updates will be shared as soon as key milestones are agreed.

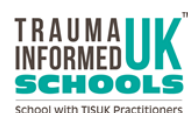

We are incredibly excited about this new chapter and remain, as always, focused on providing the very best education and support for your children/young people.

Thank you once again for your continued support.

Alison Paisley
