

Christmas at Stoke Prior First School 2025

We're already starting to feel festive, with the children practicing their songs for the Christingle Service and the YR and Y1 Nativity. We wanted to share with you all the wonderful events and activities coming up this half term.

25th November – PTA Snowflake Dance

28th November – 5th January – School Christmas Tree for the St Michael's and All Angels Christmas Tree Festival. The decorations are made by the children with the help of Mrs Holloway and the tree will be on display at church for all to see and enjoy.

1st December – teachers decorate the classrooms and our school Christmas trees will go up. Our generous teachers also provide a class advent calendar in every year group

5th, 12th and 19th December - Festive Fridays – every Friday in December children can add something Christmassy to their uniform, such as tinsel in their hair

9th and 11th December - Reception and Year 1 Nativity

11th December - Christmas jumper day

12th – Hot chocolate, festive bakes, raffle and carols from the PTA

15th – Pantomime - this year the whole school is going to a Panto to kick start Christmas week

16th – Santa's Grotto – all children get to meet Father Christmas and will receive a gift thanks to our lovely PTA

17th – Christingle Service (being led by Y2) and Christmas Lunch

18th – Party Day!

19th – Prayer Chain Assembly with the focus on the true meaning behind Christmas

15th – 19th December - We end the term with Christmas Activity week, where the whole school goes off timetable to engage in multiple Christmas based activities, such as making cards and calendars, baking, Christmas movie time, class games, dancing and more, so we all feel truly festive.

We value children being children and having these experiences. We look forward to sharing as much of this with you as possible.
