In school this week...

A Note from the Head...

Years R, 1 and 2 enjoyed a 'Greatest Showman' drama workshop this week. They all did fantastically, learning the song and some dance moves and really enjoyed the experience.

On Tuesday we held our Remembrance Assembly to remember those who have served and died in conflicts. The children were all very respectful of the silence and understood the importance of commemorating those who have lost their lives, including animals. It was lovely to see the children who are part of Brownies, Cubs and Rainbows wearing those uniforms into school.

Today we've started practising our Christmas songs, in preparation for our Christingle service and other Christmas celebrations, so you may be hearing these at home to help you get into the festive spirit!

Can I please remind you that the only jewellery items allowed to be worn to school are one pair of studded earrings and a watch (no smart watches). Some children are wearing bracelets and necklaces, which aren't safe to wear at school and are easily lost or damaged. Please see our [uniform policy](#) for clarification.

Last week I mentioned road safety in relation to the darker evenings. Howdens Insurance in Bromsgrove are offering free reflective stickers for coats and school bags. We are trying to secure a supply of these for school, but if you are in Bromsgrove Town Centre you can also pop into Howdens, by The Golden Cross, to pick up a sticker for your children.

We have a quieter week in school next week, before the half term gets much busier in the run up to Christmas. We have so many lovely festive events and activities planned that we're very much looking forward to – please see the letter attached to this email for further details.

Mrs Paisley
