Stoke Prior First School

28th September 2023

Yesterday, a group of 15 Year 4 children travelled to Aston Fields Middle School to play football in our first competitive inter-school tournament. There were a large number of other schools taking part and as always the children took part with great enthusiasm and energy. We had a mixed set of results with the girls' team winning their group and taking part in a semi-final, whilst the boys came third in their group. Despite not winning overall, everybody showed fantastic sportsmanship and really enjoyed the event. Well done children.

Also this week, the children voted in as School Councillors and Eco Councillors by their classmates were presented with their badges in Monday's assembly.

Both of these committees are a very important part of school life, ensuring pupil voice is heard. The first responsibility for this year's School Councillors will be taking part in the interviews for the new Headteacher, something that they will begin preparing for in their meeting tomorrow.
